School Contact Signature		Date:		

DECLARATION: The student certifies the information provided is true, they have been nominated by their school and agree to abide by the terms and conditions of the fellowship, if awarded.	
Student Nominee Signature	Date

Student Information Form – cont’d

Personal Essay Max. 500 words / 2 pages

Provide an essay in letter format and address it to the members of the YES Fellowship Committee. This is an opportunity to differentiate yourself from the other nominees by providing the Committee with information that is not on your resume or in your letters of reference.

- Discuss who you are as a person, your interest in the fellowship, what you would like to gain from the experience and how it will help you in your education and career path.
- Describe your academic goals and the topics in physics that interest you and why; and the career that you intend to pursue, the goals and the path you intend to follow to achieve them.
- Include relevant experiences such as working on a team, hands on building, software coding, electronics experience or other such experiences.
- Please also describe what you hope to get out of the YES Fellowship.
- If you wish to be considered for the CSSE C. Gordon Lindsay Award, please explain why you would be a suitable candidate.

Resume/CV

The resume will provide an introduction to and outline of your academic and non-academic experience and achievements.

- Include any special school-based or extracurricular programs, courses and exams taken, workshops and events attended, non-academic awards received, paid or volunteer work (please specify amount of volunteer time), and any other relevant experiences.
- List memberships in clubs, societies, and associations both in and out of school.
- Identify any computer programming or technical skills or other special skills.
- Identify any science fairs you have participated in at the school, district, regional and/or national levels.
- List all academic awards received *through competition* in grade 11 and 12. Include scholarships, prizes and bursaries, etc.
 - Please do **not** include awards for which you have applied but have *not yet* received or won.
- List all science and mathematics courses in-progress or completed but **not yet available on your transcripts**. Indicate if a course is an International Baccalaureate (IB) program or if it is an Advanced Placement (AP) course. If the course is completed, please provide the final grade. If an interim mark is available, please list as “In Progress” and the interim period (e.g. winter).

Transcripts

Provide the most up-to-date copy of your transcripts. **Any courses that are not on your transcripts should be included on your Resume.**

Please have the contact person at your school sign the transcripts to confirm that they are accurate. This contact person is the nominating person, who will be filling out and signing the nomination section on page 1 of this form.
